

# In Class Dress Rehearsal ~ 05/31 through 06/06

## **New This Year!**

Due to the limited stage rehearsal we have this year we will have an in class dress rehearsal for all dancers. This will occur during regularly scheduled classes. Dancers will run through dances in their costumes and get checked to ensure all aspects of costumes are correct. Parents may take a group photo and individual photos are available if you choose.

1. Be sure to come to class in costume.
2. Be sure to wear appropriate colored tights.
3. Be sure to wear appropriate shoes.
4. Hair and Make-up are optional and not required.

Class will run as scheduled. If you are planning to get individual pics with Ryan Smith you must arrive early or plan to stay late; individual pictures will not be taken during class time.

Parents may come into the class to watch at the end if time allows and at the teachers discretion. At this time a class group photo can also be taken.

Important- Due to the limited space in the waiting room please only bring costumes you need for each day. We ask that dancers not bring dream duffels, large dance bags etc. Properly label EVERYTHING!
