

# Premier Team

## COMPETITIVE TEAM

Does your dancer love the stage and can't get enough of it? Do you think they are ready to take their dance to the next level but also want to be sure they are ready for the commitment? TDC has created a beginner competitive program for our dancers who like to perform and share their love of dancing throughout the community and in addition attend regional competitions. This program allows dancers to ease into the competitive dance world with guidance and develop an understanding of the competitive dance world. Choreography is taught via a weekly class. Dancers must be confident on stage, able to remember choreography, have great attendance, and have exemplified all of this throughout the previous year to receive a teacher recommendation for team. Dancers on average will spend 1-2 years on premier team. Open to ages 6-8.

**No Audition-** Premier Team is invite only for dancers ages 6-8 who have consistently exemplified a series of skills to show they may be ready for this next step, in each class this year.
