Don't see something on the schedule.. I urge you to let us know we are always adding and making changes to accommodate, we take time during our loyalty period to work out any kinks, missing classes, or wait lists this year to ensure we are meeting the needs of our current students before opening to the general public. We appreciate your patience as some changes and new classes could come after registration begins.

Need help picking classes or placement questions? We are available to help answer any leveling, placement, or class suggestion emails. Registration will only take place online but we are simply a call or email away!
