

VERY IMPORTANT!

Each recital show will be assigned a color and students will receive a corresponding colored bracelet. Bracelets **MUST** be worn to the recital venue and during the entire show. **Bracelets may be picked up at the TDC office during office hours on or after May 20, 2024.**

On each bracelet will be the number(s) of your dancer's performance(s) in the show as well as a unique, circled security number for your child.

FOR STUDENTS UNDER AGE 12: One female* parent or caregiver will be given a bracelet with a security number that matches their child's bracelet. Please be sure that this bracelet is worn at the time of check in. TDC Staff will use this bracelet to check your child in and out of the backstage area.

FOR STUDENTS AGE 12 AND OVER: Parents will not be given a matching bracelet. The dancer will still receive a bracelet and they must wear this during the show. This means that the student may check themselves in (and, more importantly out) of the backstage area. In this case, you will meet your child in the lobby following the show. **If your child is age 12 and over and you wish to be allowed backstage at the end of the show, please request a parent bracelet from the TDC office. No one will be allowed backstage without a bracelet.**

At the end of the show, the parent wearing the bracelet will line up in a designated area and **ONLY THIS** person will be allowed backstage to meet their student. Upon leaving the backstage area, TDC staff will recheck bracelets and confirm matching security numbers.

***PLEASE NOTE - for privacy reasons/costume changes backstage, we ask that the parent or caregiver wearing the bracelet and checking the child in and out is female.**

If your child is in more than one show, they will need to change bracelets between shows to be sure that their bracelet color matches the show in which they are performing.

Thank you!
